

8 December 2019

Subject: Authorized Distributor for Oregon Aero Products

This letter provides appointment of Dynatech International Inc as an Exclusive Distributor of Oregon Aero Products as outlined in Appendix A.

This appointment is for the Country of Bangladesh

The appointment will remain in effect through December 31, 2021, unless earlier rescinded in writing.

Oregon Aero is the leader in long-duration seating comfort. Oregon Aero designs and manufactures seat cushions for a wide range of fixed wing and rotary wing military aircraft. Virtually every branch of the U.S. military replaces OEM seat cushions with Oregon Aero Seat Cushions.

Oregon Aero engineers are committed to providing comfort solutions that are optimized for the specific environment and job requirements. More than 29 years of research and development goes into every seat cushion we build.

Oregon Aero Seat Cushions are approved by the US Air Force and the US Army.

We are confident that Dynatech International Inc will provide superior customer service to customers in the appointed region.

On behalf of Oregon Aero Inc,

Bill Irvine

**President
Coastal Seat Cushions**

8 December 2019

Subject: Authorized Distributor for Oregon Aero Products

This letter provides appointment of Dynatech International Inc as an Exclusive Distributor of Oregon Aero Products as outlined in Appendix A.

This appointment is for the Country of Poland

The appointment will remain in effect through December 31, 2021, unless earlier rescinded in writing.

Oregon Aero is the leader in long-duration seating comfort. Oregon Aero designs and manufactures seat cushions for a wide range of fixed wing and rotary wing military aircraft. Virtually every branch of the U.S. military replaces OEM seat cushions with Oregon Aero Seat Cushions.

Oregon Aero engineers are committed to providing comfort solutions that are optimized for the specific environment and job requirements. More than 29 years of research and development goes into every seat cushion we build.

Oregon Aero Seat Cushions are approved by the US Air Force and the US Army.

We are confident that Dynatech International Inc will provide superior customer service to customers in the appointed region.

On behalf of Oregon Aero Inc,

Bill Irvine

21 November 2019

Subject: Authorized Distributor for Oregon Aero Products

This letter provides appointment of Dynatech International Inc as an Exclusive Distributor of Oregon Aero Products as outlined in Appendix A.

This appointment is for the Country of Morocco

The appointment will remain in effect through December 31, 2021, unless earlier rescinded in writing.

Oregon Aero is the leader in long-duration seating comfort. Oregon Aero designs and manufactures seat cushions for a wide range of fixed wing and rotary wing military aircraft. Virtually every branch of the U.S. military replaces OEM seat cushions with Oregon Aero Seat Cushions.

Oregon Aero engineers are committed to providing comfort solutions that are optimized for the specific environment and job requirements. More than 29 years of research and development goes into every seat cushion we build.

Oregon Aero Seat Cushions are approved by the US Air Force and the US Army.

We are confident that Dynatech International Inc will provide superior customer service to customers in the appointed region.

On behalf of Oregon Aero Inc,

Bill Irvine
